2. Subject matter of the proposed rule:

This action supercedes a previous docket opening on this subject matter made on January 5, 2001. The former docket opening failed to divide the rulemaking action into 2 parts: 1 strictly for rules targeted for repeal and 1 for new Sections to be proposed. The former docket opening was also made prior to the agency's recodification of 17 A.A.C. Prior to recodification these Sections were numbered R17-4-406 through R17-4-414 and R17-4-420 through R17-4-428.

In this action, the agency will repeal this series of outdated rules which regulate statewide overdimensional vehicle permit issuance and enforcement. In a secondary concomitant action, the agency will write a whole new Chapter (17 A.A.C. 6) which will have the sole subject matter of Overdimensional Permits and will be so designated in its heading. A companion Notice of Rulemaking Docket Opening will give formal notice of the creation of Chapter 6.
